

Webinar Agenda:

You Will Learn About:

- Accessibility during COVID-19, including how to ensure employee safety by meeting new accessibility requirements and how to ensure access to goods and services.
- How to ensure an inclusive workplace by meeting Manitoba's newest accessibility standard targeting employment.
- Tips, tools, and resources for accessible employment and customer service.
- Accessibility challenges and success stories during COVID-19.
- Featuring:
 - o Special greetings from Honourable Heather Stefanson, Minister of Families and Minister responsible for Accessibility.
 - o Launch of new Manitoba training video on accessibility in the workplace.
